Dear 50+,

I'm a fifty-one year old man and I love tall women. When I saw your pictorial of Kaylani, I fell in love all over again for the tenth time. She's really hot. Got some nice meat on her bones. Great boobs and a nice round ass. All of which is more than I deserve, but she was great to look at. I like her color and ethnic mix and all I saw tempted me even more. I've had my share of women and I loved them all. And very well I might add. Their boobs are usually fake, but that's okay by me. I now am so used to it that it has become the norm. But Kaylani is quite the hottie. She seems the kind I'd like to settle down with. That is, after I've had another ten more women in my bed.

To the Editors,

Last year my wife and I were vacationing in Miami. We're both in our mid-fifties. We were out to dinner with some snow bird friends and after a couple bottles of a nice chardonnay, we were all feeling a little tipsy and a

Dear 50+,

Hey guys, loved the Mandy issue. She set my loins on fire. Taking on those two dudes and getting fucked hard up the ass. That's the type of woman I wish I could meet. I did have a three way about six years ago with another guy and his girlfriend. It was pretty awkward and ended in disaster. His girlfriend started paying more attention to me and sucked my cock twice as long as his. We talked about it beforehand as to what could go wrong and how we could avoid it. Well, things did go wrong and we didn't avoid it. I didn't cum and haven't seen them again since. But I digress. Mandy handled the guys pretty well and it looks like they did her good, too. I'm sure it would be a very good time if things go well in a three way.

little friendly. Gloria and Michael were old friends of ours from Minnesota and moved to Florida a couple years ago to escape the cold. We have visited them a couple times and have always had fun.

But this time it was going to be a little different. We went back to their place to play cards as usual, but this time Michael suggested we play poker instead of bridge. We said fine and he broke out some more drinks with the cards. We played a couple of hands and my wife, Lesley, won both of them. Then Gloria suggests we play strip poker. Lesley and I looked at each other and I said I was game if she was. Initially, she was a bit hesitant but after winning the first couple hands, she felt confident she could win more and wouldn't have to show too much.

I knew Michael had eyes for Lesley, and I kinda had a hard-on for Gloria over the years, so I was all for it. Now, with little to hold us back, some of that old excitement was returning. Gloria dealt the first hand and Lesley won again. We all

took off a small piece of clothing and had another round of drinks. Four more hands and we were all down to our civvies. I had on a t-shirt and boxers, Lesley was in her bra and panties, Michael was just in boxers, and Gloria was left playing in her pink teddy.

It was now my turn to deal. We were drinking and laughing as more bets were made. Michael won and I dropped my shirt, Lesley her top, and Gloria stood up and started a little dance as she began to undo the laces on her teddy. All of a sudden Lesley got up and started to help her. She reached down between Gloria's legs and undid the snaps. Together, they pulled the teddy up and off Gloria. Throwing it over to me, I caught it and twirled it around, egging the girls on.

As Michael and I looked on, they started kissing each other and Gloria reached around and undid Lesley's bra and then pulled down her panties, throwing them to Michael. She then gently pushed Lesley onto the table and grabbed her knees to spread them. She lowered her head into Lesley's crotch and begins to lick her. Michael and I watch as Gloria licks and sticks her fingers inside my wife's

wet pussy. Michael looks back at me with a big thumbs up.

I get up first and position myself behind Gloria. I drop my drawers and slip my cock inside her as she continues to lick Lesley. Michael saunters over beside Lesley and offers his hard dick to her mouth. She obliges and grabs his ass to pull him closer to her. Michael and I grab a couple of the wine glasses from the table and toast each other. Gloria then stands up and pulls me out. She seats herself next to Lesley on the card table and motions me to continue fucking her as she opens her legs and gets into position to receive my cock.

He takes advantage of the change and moves around to drop between Lesley's legs and now he begins to lick her. I watch

as he sucks my wife and he watches as I obligingly fuck his. Lesley tells him to get off and lay down on the table. He does and she proceeds to rub him back to a hard erection.

Her mouth works hard on his cock and he's finally rock hard again. I'm still fucking Gloria and she begins to moan that she's cumming. I pump harder and feel her waves of orgasm as she bucks and shakes the table. Michael's cock seems to have made a miraculous recovery and Lesley brings him to climax taking his jizz in her mouth and then spitting it into one of the wine glasses.

It seems that both of our friends have cum, so Lesley and I are left to finish ourselves, but she says she's still real horny and wants to finish back at our hotel room. We

quickly gather our stuff and drive the mile back to the room, jump into bed and fuck our heads off. In the morning we called our friends to see how they are. Gloria says they are both fine and had a great time last night -- just like the eighties all over again. We agreed and said that we should do it again next time we come to Florida. They said the invitation is always open. I think we're going to plan another trip here next month.

Grant, St. Paul

it showed in my giving head. Now, I go right for it. I don't think about it. I know exactly what to do, plus I have some tricks that will work on every man I'm blowing.

I don't want to give my secrets away, but some involve their balls. I think they are the most under-appreciated sex organs for guys. They are so cute when the guy gets hard and they hide up under the cock. My tongue goes right up there to get them. I wrap my mouth around both of them and gently suck them down.

Sometimes I do it kinda roughly, but no guy has screamed in pain yet. Only pleasure. When it comes to cock sucking, I don't want to waste time, because I know men don't want you to. They want you to get right at it. Get right to sucking cock and leave the rest for later. Cock sucking is what men are all about. And I'm all about men. Hope you can appreciate it.

she was probably smoking hot. You just have to love a fifty-year-old woman who has the balls to pierce her nipples and labia at that age. That usually means she can take whatever you can dish out. Just be sure you have enough.

"I like shy guys. They're the ones I hung out with in high school and when I worked at the airlines." she would say, but you get her alone and that shyness evaporates. She'll be the first one to go down on you.

"Now it's almost thirty years after high school

After a moment they are deep into it, shoving their hot tongues into it as deep as they can." she teased me at one time. I knew I was about to be schooled. "I specially like it when they pull on my nipple and pussy hardware. It adds that extra tingle. That's why I did it. It really feels good when I'm the one tugging on them. The added sensation makes me come quicker."

Dear editors,

I'm writing to a magazine for the first time because now that I'm older, I want to get right to it. Take blowjobs for example: I wasn't very good at them in my younger years, I tried to do what I thought was right and what the guy liked. Once in a while they would tell me but I was hesitant and

I want my man to be happy. I want to please him and make him want me again and again. There are several ways I could do it, but I find my mouth and pussy work best. There's little doubt, at that point, that I want him and he'll want me. After all, isn't life about being wanted?

MY HUSBAND IS AWAY FOR A WHILE AND I GOT A BIG SURPRISE FOR HIM

Twenty-two years ago I married the love of my life. Hubby was attentive, passionate and very romantic. Things have been going well, but his work has taken a toll on our marriage and our sex life. I have always had a very active libido, after our wedding it wasn't uncommon for us to have sex five or six times a week. For the past year I am lucky to have sex two or three times a month. Hubby's workload is insane and I know when he gets home he simply doesn't have any energy left for me. It makes me wonder if he is more committed to me or his boss. Of course, my libido still needs stimulation and being the creative woman that I am, I found the perfect outlet for my passion through travel.

I've found that writing about our past travel adventures, I've been able to relive the excitement and even change the details of the real trip into a fantasy trip that the readers will like and re-stimulates me! I found it to be an amazing way to meet my sexual needs that my husband isn't addressing in the bedroom. I have so far managed to assemble a file on my laptop with more than forty stories with all sorts of plausible fantasies drawn from real events. Soon as I found several websites that I began posting my stories on. I loved the feedback from the readers and the fact that other people were enjoying my fantasies really

gave me a kick. That has inspired me to reveal more and more of my naughty fantasies, exploring things I hadn't ever given myself the freedom to consider including fantasies of the taboo. I found myself beginning to read more and more sex stories online, too. I especially like the stories of the reluctant husband or more specifically stories of 'cuckold' husbands.

Jeremy, my husband, could be described as more of the retro, alpha male type. He never took any interest in my stories until recently. A while ago I got him to read a few and since, during sex, we would even talk about me being

fucked by other guys and how I would be used by them. He plays along till we finish, but I am never totally sure if he really wants to see any of it happen. So one morning while he had three days off work and was home, I suggested a quickie before he got ready to go out to his friends and while he was fucking me, I said, "Honey, what can we do that will be new? To add a bit of spice to our sex life?" I could feel his pace quicken as I said it.

"Let's hire a photographer and take pictures while we make love. Would you be okay with that?" I was trying to push the idea through, trying to determine if he would really go for the idea. In truth, I was getting excited, building all kinds of stories and scenarios in my head now. "How are

FANTASIES FOR SALE

I used to be a shy and innocent girl who didn't even know the facts of life. I got over that pretty quickly and now I'm all about the fucks of life.

...when he returned to her, she found that her skirt had fallen around her ankles and, almost instinctively, she had stepped out of her shoes.

you with seeing your hot wife strip in front of a camera? First, I'd strip off all my clothes for you, then my bra and panties. I'd slide down my stockings and end up totally naked in front of you – and the photographer." As I was saying this I could tell from his body and the speed he was fucking me, he was really getting into the idea. I knew he was on the verge of cumming too.

"Then, the photographer could take close ups of your wife's pussy while you fuck her in front of him!" That did it as I was saying this he began exploding in my pussy. We then kissed and cuddled for a few minutes before he ran off, showered and headed out. Later that night when we slipped into bed I instinctively slid into his arms, spooned with my ass on his groin and given how much I thought of that homemade porno shoot with hubby and a stranger. I said, "Are we still on for making our own erotic photo's?" "So you want to be a porn star?" he replied and had just placed his hand between my legs and was playing gently towards my pussy. I jokingly replied with "I think so." as I opened my legs further to give him more access. His fingers then did nice things between my legs, spearing my pussy with two fingers and his thumb massaging my asshole. He then asked, "So what type of photo shoot would you choose? To have a story line or just us having sex?"

My mind was swirling with the feelings coming from my pussy, ass and Jeremy's suggestions rolling around in my brain. I shifted my legs to feel more of his hands now playing with my clit and I was quickly climbing towards what felt like a pretty good orgasm. I was so close to coming and it was difficult to make up a story for him so something closer to the truth came out... "We could use the photographer or his assistant as an extra in our shots." I suggested as he pounded away. Jeremy started to say something but I put my hand over his mouth. He removed his hand from my pussy and ass and slid his body slowly up and over mine. His chest

rubbed on my body and by the time he was in position I became a bit more demanding. "No playing around. Shove that hard cock of yours inside me and fuck me. Now!"

Jeremy adeptly placed my ankles over his shoulders before positioning his throbbing cock on my aching clit, but not going in. Then he slammed his hot hard cock back inside me and it was wonderful. I inhaled deep: "I thought of how it would feel to be with you in front of a camera but later when you were finger fucking my pussy, I thought that maybe I'd have the photographer's cock too. I was afraid you wouldn't understand. I fantasized that you might like to share me with another guy."

Jeremy was pounding me hard and I was again sensing a powerful orgasm building. His face was unreadable and then he erupted inside me and I could not stop, nor did I want to stop the magnificent orgasm that began and kept on building. Later as we recovered I looked at him and asked... "Did my fantasy scare you?" He replied, "No, I think I could deal with it. Let's shower and we'll look into it further." I was stunned and at the same time excited about how things were turning out. We showered together and the following day he left for another month on a job.

After he left, I thought that I'd have my picture taken in some lingerie-style studio portrait to give him on his return. While the pictures were for Jeremy, the real motivation was to get him excited about doing some

nude ones together. So I decided to search the internet for studio that would do some lingerie portraits. It didn't take long before I found what I thought was the ideal place. There were sample photos of some very attractive women on the site in bikinis and lingerie. It all seemed perfect so I booked the session over the phone. The guy on the other end was very polite and professional. It made me feel even more confident and excited about the shoot. A week passed and the day of the shoot finally arrived. I

*My mouth fell open in shock as his massive cock

spent all night pampering myself because I wanted to be sure I was completely shaved and waxed because I still had no idea how I was going to pose or wear for that perfect shot. I packed some bikinis, some lingerie, and several low neckline sheer blouses. I wasn't really sure how I wanted to be photographed in but I figured the more options the better.

The studio was a short drive. I rang the buzzer and the door clicked open. I walked inside and felt a rush of nervousness. Suddenly I was greeted by a tall man with brown eyes, greying hair and a slim build. He was smiling as he extended his hand saying. "Hi, I'm Bill, and I'm guessing that you must be Rachel?" He briefly looked me up and down, eyes resting on my cleavage for a second before meeting my gaze. "Well come in, I'm sure you'd like to see the studio and get started." he said.

He gestured for me to follow him inside and when I did I must say my nerves started to ease just a little. Inside were various cameras on stands, big silver umbrella-looking things which they use to reflect the lights, plus a wardrobe with outfits and props. I watched him walk in front and he was extremely attractive but something about the way he kept looking at my breasts creeped me out. Then casually he stopped and said, "Ok, don't worry about a thing, just relax. You look gorgeous, absolutely perfect," he said in that way that was slightly unsettling but charming whilst he was fiddling with lenses.

"Yes, that's perfect," he said as he began taking few snaps. Bill looked pleased but I noticed the lump in his pants growing. "Face me, arch your back and put your hands in your hair." I finally took my eyes off his bulge. We shot for about an hour doing different outfits when Bill yelled out, "How about few suggestive nudes?" I was again distracted by the bulge in Bill's pants. It looked like the man's cock was struggling to stay in. The pants looked as though they

might burst at any moment. Then Bill started pressing the shutter button as quickly as his camera would take pictures. My arms were rising to cover my breasts again because my nipples were in view. I was somehow showing more than I intended. Bill wanted more so I closed my eyes and forced my arms down to my sides showing off my breasts. When I reopened my eyes I decided to try relaxing more. "Would you take off the bottoms, please?" he asked after taking a few more.

I was kneeling, legs parted, arms behind my back, holding my hair up. Soon several things suddenly happened almost simultaneously. Bill's thumbs hooked into his pants. The thumbs pulled downwards. My mouth fell open in shock as his massive cock burst out from its confinement.

The huge cock was unstoppable as it sprung free. I jumped as if startled, like I'd forgotten where I was. I moved back, but Bill then put his big hand around the back of my head and pulled me forward. I couldn't help but part my lips and nearly the entire plum-sized head of Bill's cock pushed into my mouth. I pulled back, pushing him with my hands and he let me go. When his cock head reappeared it was shinny and glistening as if I had been licking it awhile. I was lost I didn't know what was happening and how I felt so wet.

I was completely entranced by it. My hand began gripping the base and soon my hand moved up to squeeze the huge knobby head. My hand slid back down to the base, then back up. I was actually stroking the man's cock unintentionally! I continued with my hand and mouth until Bill pulled his cock out and sperm sprayed out of the tip into my mouth and onto my face. It was an incredible amount. When he finished, he kissed me and helped me up and said, "Thanks Rachel." I got dressed and started walking out the door. I paused and turned around. "Do you think I can see those last shots?" Bill smiled at me and said, "Oh definitely, why don't you come by next week, same time."

I've been sexually active since college. That means it been over thirty years and I'm constantly amazed at how sexual libido works. You can get tired of food, clothes, even people, but sex never seems to go out of style.

I remember going through many different phases in my sexual life. I experimented with other females in college. I partied with orgies. I did every combination of threesomes up to fivesomes. I've done it everywhere that's legal, and a few places where it's not. But above all I did it because it was me at that time.
